

Great Careers in Two Years: The Associate Degree Option (Great Careers in 2 Years: The Associate Degree Option)

Great Careers in Two Years clearly outlines the many advantages of attending Americas junior and community colleges. With post secondary education costs rising dramatically, affordability of two-year colleges is a major advantage. Two-year colleges can also be an excellent gateway to a career. Great Careers in Two Years links more than 100 promising and rewarding careers to two-year degree programs. This book is a must for students, parents, teachers, libraries, and guidance offices.
