

110 Amazing Apps for Education

Here's an easy-to-use, quick reference guide for apps that supplement student learning. It gives suggestions for how teachers can implement each app in the classroom and for how parents can use the apps at home to extend their child's learning. This resource is correlated to the Common Core State Standards, is aligned to the interdisciplinary themes from the Partnership for 21st Century Skills, and supports core concepts of STEM instruction. 136pp.
