

How to Write a Thesis in 9 Weeks: 10 Steps to an Outstanding Thesis

You have to write a Thesis as part of your degree course but you don't know where or how to start? With over 15 years of experience in guiding students as they begin the process, this Guide by Visiting Lecturer Mihir Nayak is invaluable for those writing their Thesis. This book is meant to be a practical guide for students, aimed at helping you every step of the way as you write your thesis, starting firstly with finding a good topic (we will see later what that really means), turning your vague ideas into a concrete research aim & question, putting down all of your ideas in a clearly structured proposal which results in a final thesis you can be proud of. Full of useful tips & infos, this guide is based on the author's own experiences with his students including a unique understanding of the problems & challenges that they face from a first-hand perspective.
