

## A Charming Wish: A Magical Cures Mystery, Book 3

Bubble, Bubble...It seems shop owner and newly appointed Whispering Falls Village President June Heal has it all: Beauty, wits, bewitching powers...Sheriff Oscar Park. Life is good. Because life in Whispering Falls is magical. Cures and Trouble...But when a member of the community is found dead on the steps of A Charming Cure, Junes homeopathic cure shop, and her fingerprints show up at the scenes of local robberies, she is kicked off the village council and her powers fall under scrutiny. Until its uncovered who is wreaking havoc on the town...Junes magic is suspended. Magic Stirs...With the help of a rather obnoxious genie and Mr. Prince Charming, Junes Fairy-God cat, June is determined to figure out who is framing her. Time is of the essence when it becomes clear that the true villain is trying to get rid of her...permanently! And trouble doubles...Oscar Park will do anything to protect June even if that means giving up all of his magical powers...or worse, his life.
