

A Day in the Life of Axel the Ant (Pilly The Pelican Book Series)

1st Published E-book to win a National Award in Barbados history - NIFCA 2013Ages: 3-7 (Great for adults to read-along with children) How many childrens books located in the tropical settings have your young ones gotten the chance to read? Flying-fish, coconuts, golden sandy beaches, brilliant blue skies and crystal-clear sea are all packed into one action-packed day making a nice bedtime story. In Book 1 of this childrens Book Series, our feathered friend Pilly the Pelican follows our little lad Axel the Ant during a typical day of Axels life in the beautiful Caribbean island of Barbados. This refreshing, rhyming title contains not 5, not 10, but TWENTY (20) beautiful illustrations as Axel the Ant gathers food, goes to work and relaxes on the tropical beaches after a hard day. Connect with your child readers and expose these young ones to new knowledge in a fun, colourful way with our two fun-loving but hard-working friends that they will remember for a lifetime. Enjoy!Warm regards, Gregory & Family
