

# Heideggers Being and Time: An Edinburgh Philosophical Guide (Edinburgh Philosophical Guides)

Everything you need to know about Heideggers Being and Time in one volume. Being and Time is one of the most important publications in phenomenology of the twentieth century which has had a direct influence on not only many different philosophers, but also artists, writers and film makers. This book appeals to first-time readers of Heidegger and will be free of technical jargon. Readers will be taken through Being and Time section by section, meaning it can be read alongside the main text.
