

## A MOMENT IN CONNEMARA: An Irish Love Story

Connemara and the wildness of the Irish coast came to mean so much to Annie and Noel Quinn. For just as the Atlantic Ocean had over time carved deep wounds into that coastline, life had dealt Annie and Noel some profound losses—a traumatic childhood accident and lengthy hospitalization, the death of a spouse, and a divorce after thirty years of marriage, before they magically met at the Connemara Coast Hotel. Just as those oceanic wounds resulted in the beauty of the inlets, bays, and harbors of the Connemara Coast, Annie and Noel were open to healing, to experiencing joy, and they found an abiding beauty in their friendship, and, later, in their love. Annie and Noel lived the sentiment of Enjoy the Moments each and every day of their time together. As *A Moment in Connemara—An Irish Love Story* shows, love can transcend even the harshest of the realities we face in life and bring us Joy in the Moments.
