

[(The Medical School Admissions Guide: A Harvard MDs Week-By-Week Admissions Handbook)] [Author: Suzanne M Miller] published on (November, 2010)

This guide contains the weekly, step-by-step plan Dr. Miller used to get into Harvard Medical School. She has since utilized the strategy to help hundreds of applicants gain entry into medical school first as a Harvard pre-med tutor and then as CEO of MDadmit, a medical school admissions consulting service. Following this handbook's advice will provide you a distinct advantage in the competitive medical school admissions process as it prepares you for every step and helps create your best application. Book Highlights include: 1. Weekly, easy-to-follow advice on navigating the complex admissions process. 2. Multiple examples of successful personal statements, AMCAS work/activities, secondary essays, and letter of intent/update letters. 3. Special sections on reapplicants, non-traditional applicants, DO schools, and foreign schools.
