

American Girl

An exact reprint of a 1906 literary and cultural treasure, this tribute to the American girl is reproduced in full color to capture the paintings of Victorian beauties by artist and journalist Howard Chandler Christy. The Army Girl, The Socialite Girl, The Golf Girl, The Dancing Girl; they are the girls of turn-of-the-century America that Christy celebrates in their period glory. Adoring text-as applicable today as it was almost a century ago-recognizes womens capacity to succeed and to be the leaders of a new century.
