Of course, our guide is informational only and is not in any way intended to provide assistance in obtaining government assistance or employment. However, by gathering together material from across the vast spectrum of the federal government, our guide can save you time and effort in locating important federal information related to college education and student employment. Over 61,000 pages in 122 files are reproduced using Adobe Acrobat PDF software - allowing direct viewing on Windows and Apple Macintosh systems. Reader software is included. Our CD-ROMs are privately-compiled collections of official public domain U.S. government files and documents - they are not produced by the federal government. They are designed to provide a convenient user-friendly reference work utilizing the benefits of the Adobe Acrobat format to uniformly present thousands of pages that can be rapidly

reviewed, searched by finding specific words, or printed without untold hours of tedious research and downloading. Vast archives of important public domain government information that might otherwise remain inaccessible are available for instant review no matter where you are. This book-on-a-disc makes a great reference work and educational tool. There is no other reference that is as fast, convenient, comprehensive, thoroughly researched, and portable - everything you need to know, from the federal sources you trust.
