

Internet Guide for College-Bound Students

This book tells you, step by step, how to use the Internet as a key tool for gathering college facts, searching for scholarships, applying for admission, and much more. The all-new Internet Link CD-ROM puts a vast storehouse of information at your fingertips. Now you can: go directly to colleges home pages; visit important college, career, and financial aid Web sites; get expert guidance on planning for college; view a video section with advice from admission counselors and students on preparing outstanding applications.
