

Learning Unscripted: Presentations and Conversations with Learning Leaders

In Learning Unscripted, Simon Birt shares enlightening conversations with global experts from organizations such as IBM, PepsiCo, the NHS, and the Walt Disney Corporation about their learning technologies and creative training methods. He also offers some of his own insights and knowledge through friendly, informal, and easy-to-understand presentations. Covering topics such as E-Learning, Mobile Learning, Social Learning, Gamification, Content Authoring, 70:20:10, the Use of Cloud Technology to Support Learning, Business Value Creation, Learning Planning, Ideas & Innovation for Creative Training, and more, Learning Unscripted offers a wealth of ideas for both theory and practice. For those wishing to familiarize themselves with the key topics of contemporary organizational learning, whether novice or L&D professional, Learning Unscripted has something for everyone.
