

Surviving Bomber Aircraft of World War Two: A Global Guide to Location and Types

This is a guide to the existing WWII aircraft in aviation museums throughout the world. Each double page spread contains a colour photo of an example of the aircraft as viewed in an aviation museum, examples of different marks (wartime shots in mono) and a textual resume of the type with statistics. The aircraft can be viewed in the USA, UK, France, Czechoslovakia, USSR, Canada, Australia, Finland, Holland, Poland, Germany, Italy, Japan, Sweden and Spain.
