

## Car Bombs to Cookie Tables: The Youngstown Anthology

The Youngstown story often is told with a beginning in iron and steel and ending in decay with a subplot driven by violent mobsters and corrupt politicians. Aiming to provide a more well-rounded examination of Youngstown, this collection of essays provides an authentic look at the city through a diverse set of experiences from the perspectives of those who have lived there. Readers will gain a sense of the past, present, and future of the city.
