

Cayman Islands Adventure Guide

We travel to grow our Adventure Guides show you how. Experience the places you visit more directly, freshly, intensely than you would otherwise sometimes best done on foot, in a canoe, or through cultural adventures like art courses, cooking classes, learning the language, meeting the people, joining in the festivals and celebrations. This can make your trip life-changing, unforgettable. All of the detailed information you need is here about the hotels, restaurants, shopping, sightseeing. But we also lead you to new discoveries, turning corners you haven't turned before, helping you to interact with the world in new ways. That's what makes our Adventure Guides unique. Identical to the print edition, which is 340 pages. The authors know their stuff and it shows... jam-packed with travel tips. Travel Weekly Color maps & photographs throughout. The Caymans are ultra-prosperous and safe, with great resorts, fabulous watersports, terrific restaurants. A major stop for cruise ships, there are 1,800,000 cruise visitors per year, plus 250,000+ arriving by plane. Lots of detail on the shopping, dining, hotels, sightseeing and entertainment, based on personal visits by the authors plus a special emphasis on activities such as boating, fishing, golf, walking, biking, scuba diving, snorkeling, and bird watching. Other activities included are paragliding, sailing, catamaran cruises, soaring, waterskiing, windsurfing, driving trips and horseback riding. For all of these, the authors give a list of local operators who can set you up with equipment, ferry you around from site to site or actually guide you on the trips. Diverse woodlands and pristine wetlands occupy much of the islands interiors, rugged hiking trails meander across the peaks and valleys, and mangrove swamps cushion the shoreline, offering a unique breeding ground for many birds and fish. These protected wilderness areas are often

left unexplored by lay-in-the-sun-all-day tourists, who miss some of the biggest attractions the islands offer. We tell you how to see them all. The authors then take you touring, visiting all the popular tourist sites and towns, offering valuable tips on shopping, transportation, restaurants and accommodations. The authors know their stuff and it shows... jam-packed with travel tips. Travel Weekly
