

## Clint Eastwood Icon: The Essential Film Art Collection

Clint Eastwood is not only a man. He is a nameless vigilante, a vengeful detective, a bare-knuckle boxer, a Secret Service agent, and countless other definitive screen archetypes now embedded in our shared pop-culture consciousness. However you define him, Clint Eastwood has a powerful and extremely recognizable image that exists as something beyond the narratives of his films. Clint Eastwood ICON presents an unprecedented collection of film art surrounding the legendary actor. This comprehensive trove gathers together poster art, lobby cards, studio ads, and esoteric film memorabilia from around the world. From his early roles as the nameless gunslinger in Sergio Leones Spaghetti Westerns, to the vigilante films of the 1970s and 1980s, through his directorial roles and latest releases, Clint Eastwood ICON captures the powerful presence and quiet intensity that turned Eastwood into the definitive American hero.
