

## Paranormal Experiences: (Death The Final Frontier

Death is a destination of finality. We are all headed towards this destination, which, depending on beliefs, leads us to an afterlife, or to a never-ending sleep. Throughout the pages in the book, I will explore questions that we all have regarding the processes of death and beliefs of an afterlife. The stories shrouded in the mystery of death will hold a true testament to the beliefs of groups throughout history and today.
