

Directory of Grant Making Trusts

The twenty second edition of this comprehensive reference work covers 2,500 grant-making trusts, each with the potential to give at least GBP25,000 in total per year, collectively giving around GBP 3 billion. With fully updated information supplied by the trusts themselves, the entries include: geographical area supported by the trust concise contact details what is and what is not funded type and range of grants made examples of recent beneficiaries. The extensive indexes - by geographical area, field of interest and type of beneficiary, and type of grant - allow users to target the trusts that are most relevant to their needs. This book is for organisations involved in fundraising, and institutions (such as libraries and CABs) that will keep a reference copy. Many will be purchasers of previous editions.
