

Eavan Boland and the History of the Ordinary (Irish Research Series)

Why a book on Eavan Boland? No critical study of one of Ireland's most significant and ambitious living poets has been undertaken until now. Her collected writings seek nothing less than a redefinition of the myths structuring the current understanding of Ireland. Much as Shakespeare helped shape the Tudor myth and our historical consciousness of his time, much as Yeats drew from Ireland's Celtic tradition to reinvest his age with an historical continuum, Boland seeks to reframe Ireland. The survival of ordinary people in the face of Penal Laws, the Famine and the Irish Civil War and especially women's survival have fashioned Boland's poetic vision. Since so many survived without written record her poems tend to center on the nameless women whose presence must be intuited. In her best work, work that has influenced poets on both sides of the Atlantic, Boland proclaims these women to be Ireland as she pieces together a nation from a jigsaw-like set of museum artifacts, handed down personal possessions, and silent images. Academica Press is an independent scholarly press specializing in publishing monographs and reference material in the humanities and social sciences. We are particularly interested in producing works of scholarly interest in English language studies, literary history and criticism, drama, sociology, education and Irish studies. (Our dedicated imprint, Maunsel & Co., specializes in scholarly research in Irish studies.) We have recently developed projects in African and Afro-American research areas as well as Theology and Legal Studies. Some select areas where we publish include: -American 19th- and 20th-Century Language and Literature -British 19th- and 20th-Century Language and Literature -Irish Studies -African Studies and African-American Studies -Law, including Sports Law -Higher Education -English Church History
