

The Five Finger Paragraph: HomeSchool/HomeStudy Edition, Kit: HomeSchool/HomeStudy Kit (Volume 13)

This HomeSchool/HomeStudy Kit in a book of The Five Finger Paragraph method is for Kindergarten through Twelfth Grade students and college freshman. The Kit in a book contains: Parents Edition, 2 formats of the Student Edition, 7 Charts that facilitate learning, printable Transparencies of those Charts, Quick Guide Cards and Bookmarkers. Paperback. Instructions include complete paragraph construction to be used in subsequent essay construction and writing. Three methods of formatting essays are included, to accommodate multiple learning styles of students. Excellent when used as subsequent or remedial instruction material for students who function at grade level or below. Quite effective in helping students prepare for the SAT/ACT exams. Illustrations on almost every page. Student Edition in the Kit includes free access to a print format for printing, dual-sided. The color-coded methods used to teach paragraph and essay writing are very kinesthetic in nature, augmented by vividly colorful illustrations that have helped thousands of students, around the world, compile a well-formatted five paragraph essay, which is the standard required in Middle School and High School, as well as later for all SAT/ACT exams and high school exit exams. This book is priced much lower than full-printed kits in the past to allow the purchaser to print copies of the Student Editions from this book. It is recommended that (1)the Charts, Quick Guide Cards and Bookmarkers be printed and laminated for continual re-use in the home classroom (charts may be written on with dry erase or Vis-a-Vis markers) and (2)that up to 2 copies of the Student Edition be printed for use in the home classroom (license allows printing of up to 2 copies of either or both formats of the Student Edition).
