

Tourist Trains Guidebook

Boasting more full-page reviews than previous years and thoroughly updated and accurized, this third edition of the Tourist Trains Guidebook, gives train fans and those who like to travel a detailed look at 175 of the most popular train attractions in North America. The guidebook also lists 300 additional train rides, museums and historical depots of interest. Regional maps showing the location of the sites are also included. With the updated Tourist Trains Guidebook 3, train lovers can plan vacations centered around railroading or beef up the itinerary of an existing trip with a train ride or visit to a train-centric site.
