

High Uintas Wilderness Map

Waterproof Tear-Resistant Topographic MapExplore the alpine vistas, glacier-formed lakes, and Utahs highest peaks with National Geographics Trails Illustrated map of High Uintas Wilderness, Ashley and Wasatch-Cache National Forests. Expertly researched and created in partnership with local land management agencies, this map features key points of interest including Mirror Lake, Kings Peak, Sheep Creek Canyon Geological Area, and portions of the Yellowstone, Uinta, and Duchesne rivers. With hundreds of miles of mapped trails, the High Uintas Wilderness map can guide you off the beaten path and back again. A handy chart notes each trailhead, the number of parking spaces at the trailhead, and the facilities available there including horse ramps, corrals, water, toilets, and developed campsites. Snowmobile and ATV trails, as well as four-wheel-drive and high clearance roads are clearly marked. The map base includes contour lines and elevations for summits, passes and many lakes. Helpful information about regulations and wilderness safety is included to help ensure your visit is safe and enjoyable. Every Trails Illustrated map is printed on Backcountry Tough waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation. Other features found on this map include: Ashley National Forest, High Uintas Wilderness, Kings Peak, Marsh Peak, Mount Lovenia, Uinta National Forest, Wasatch National Forest.
