A concise Arabic phrase book and guide to the Arabic Language, Essential Arabic contains basic vocabulary necessary for communicating in Arabic. Have you ever considered learning Arabic, but been put off by the unusual look of the script? Don't let yourself be scared away! The Arabic language has been called the most eloquent, plain and deep of the meanings that might arise in one's mind. And with this concise and thoughtful phrasebook you will soon see why. As Arabic is an official language of 27 countries, many of them of strategic importance to the United States, it is no wonder that Arabic is the fastest-growing language taught at U.S. colleges and universities. A clever point-to-feature allows you to simply point to a phrase translated in Arabic without the need to say a single word. You will soon find yourself turning to Essential Arabic again and again when visiting the Arab world and working or interacting with Arabic speakers. In this book you will find: Over 1500 practical sentences for everyday use. A glossary of over 200 terms and expressions.
