

Financial Planning: Process and Environment

KAPLAN / KESDEE Insurance Achievement Study Notes for 300: Financial Planning: Process and Environment will provide you, as a potential financial planner, an in-depth understanding of the responsibilities and duties of a professional financial planner. You should study the sections on time value of money and ethics carefully. In addition, pay close attention to the analysis of the regulatory, economic, and legal challenges you will face in the future. To learn more about KAPLAN/KESDEE study solutions, please visit our Website, www.kesdee.com. Note: This book is designed to help you walk with confidence for Insurance/Financial Planning/Wealth Management Designation Exams conducted by The American College.
