

## Razzle Dazzle: The Life and Work of Bob Fosse

Fosse changed the face of American dance, with dance movements of openly sexual postures, pelvic thrusts, slouched backs, and turned-in knees, and subjects just as scandalous, bringing sleazy nightclubs, brothels and the porno world to the stage and screen in such hits as Cabaret, Sweet Charity and Star 80. Here is the story of his wild and flashy life. Photos throughout.
