

## Frommers EasyGuide to Lima, Cusco and Machu Picchu (Easy Guides)

Frommers books arent written by committee, or by travel writers who simply pop in briefly to a destination and then consider the job done. Frommers author, Nicholas Gill, has been covering Peru for over a decade and this book hits all the highlights, from iconic Machu Picchu to Limas vibrant dining scene. Hes checked out all of the countrys best hotels and restaurants in person, and offers authoritative, candid reviews that will help you find the choices that suit your tastes and budget, whether youre a backpacker or on a splashy honeymoon. Most importantly, hes not shy about telling readers what to see, and what they can skip without regret. The book includes:-A handy fold-out map, plus detailed maps throughout the guide-Exact pricing, opening hours, and the other important details that will make your trip smoother and less hectic.-Smartly conceived itineraries for travelers of all types, so you can shape your vacation to fit your interests.-Savvy, sometimes sneaky, tips for saving money in ALL price ranges, whether you need to pinch pennies or are able to splash out a bit. This book has it all from budget to luxury and everything in between.-Fastidiously researched information on the many
