

Golden Lilies

Century-old letters tell a story of timeless love in a vanished country. First translated by American scholar Elizabeth Cooper in 1914 and published as *My Lady of the Chinese Courtyard*, this haunting collection of letters was out of print until discovered by bestselling author Eileen Goudge. In its pages she found the story of Kwei-li, a noblewoman of nineteenth-century China. In rich, elegant detail, Kwei-li writes of passionate love for a man whom she first meets on their wedding day. She navigates the difficulties of homemaking and motherhood, becoming a confident wife as her happy home is threatened by the forces of change that are sweeping the nation. Enhanced with beautiful new illustrations, this is a timeless chronicle of a strong woman's struggle against the onset of modernity. This ebook features an illustrated biography of Eileen Goudge including rare photos from the author's personal collection.
