

Goodnight Ballivor, Ill Sleep in Trim: A Childhood Memoir

This is simply a journey into the authors past in the quiet, sleepy Irish village of Ballivor sixty odd years ago. This book grew out of the radio documentary Goodnight Ballivor, Ill Sleep in Trim. That expression, common to those who grew up in Ballivor, yet shrouded in mystery, was the obvious title to give to a radio memoir. The wonderful reaction to it surprised the author, but it shouldnt have. It was the old story of the local being universal.
