

## Guide to the North Country National Scenic Trail in Minnesota

The North Country National Scenic Trail running from North Dakota to New York is one of the nations best-kept secrets. This comprehensive guide provides descriptions and resources for the 775 miles of trail in Minnesota, with detailed maps and descriptions for the 163.3 mid-section from the Tamarac National Wildlife Refuge to Remer. Included in the book are helpful hints in preparing for a through-hike, such as needed supplies, starting and ending points, camping, etc. However, there are also day trips and easy walks, making the guide useful to the casual hiker.
