

## Secret France: Charming Villages & Country Tours (AA Guides)

This is the perfect companion for exploring the hidden, tranquil corners that form the rural heart of France. This beautifully illustrated guide provides thirty-three car tours of the little-known and out-of-the-way places to see throughout France's gorgeous countryside. The country's most stunning and historic villages are presented with special features on aspects of French life including cuisine, architecture, and natural history. Carefully researched, the detailed maps and thorough descriptions offer delightful journeys to France's hidden treasures. Replete with color photographs, this guide is immensely practical while capturing the splendor of secret France. Color photographs; maps
