

Janes Airports and Handling Agents, 1994-95: Middle East and Africa (Janes Airports and Handling Agents Middle East and Africa)

One of a set of reference data manuals which give information on over 1700 airports (with runways over 1000 metres), including location, runway specifications, operating hours, hangarage and communications. It also gives details of over 2540 handling agents/FBOs that operate at the airports, customs and immigrations requirements, fuellers and caterers, passenger, cargo and corporate/VIP handling, and banks, hotels and transport. Designed for flight operations and planning and anyone needing to send aircraft to a particular airport, this book deals with the Middle East and Africa. Other volumes in the series deal with the USA and Canada; Europe; the Far East, Asia and Australasia; and Central, Latin and South America, including the Caribbean. (A price offer is available to customers purchasing volumes covering more than one territory). The information in these volumes is also available in electronic format.
