

Once Upon An Autumn Day: An Unofficial Memoir of Xin Huai-Nan (The Collection of Essays by Xin Huai-Nan) (Volume 11) (Chinese Edition)

It is said that there are three levels of writing: The writing from ones head, from ones heart, and from ones soul. Once upon An Autumn Day describes perfectly, the conflicted feeling of being happy in ones aloneness and yet longing to reach out and connect with an equal soul. This book is the unofficial memoir of Xin Huai Nan.
