

A Journey of Hope

In this touching and courageous memoir, Oscar Mann recounts his boyhood in France, the onset of World War II and the Holocaust, his immigration to America, and his years in the military and as a doctor. Mann's honest narrative offers us a glimpse into his past and a critical time in 20th century history and reminds us all of the power of hope. Visit the author's website for more information along with many unique images that help to visually support the author's story.
