

Ka Mate: Travels in New Zealand

The New Zealand All Blacks are one of the most recognisable team franchises in modern sport, and their performance of the Ka Mate haka prior to international matches is known across the globe. But how many of us know anything about the Maori people to whom this haka belongs? Ka Mate: Travels In New Zealand takes us on a three month journey around New Zealand, through the vineyards, over the glaciers, and across the fields of boiling mud. Freelance journalist and writer Dan Coxon does more than simply entertain us with anecdotes of his travels: he unravels New Zealands complex history of migration and settlement, and reveals an intriguing story of British colonisation that still has repercussions today. Plus theres time for a rugby match or two along the way.
