

Kailash Journal: Pilgrimage into the Himalayas

Kailash Journal is the true story of a rare physical experience and an even rarer spiritual one. This is a narrative written in Sri Swami Satchidananda's own words and illustrated with photographs he took during his pilgrimage to Holy Mount Kailash in Tibetan eight-hundred-mile journey, on foot, to an altitude of 19,000 feet. Within the heart of this thrilling travelogue, however, lies another story: the quest for direct knowledge of God and the result of that quest.
