

## Unfinished Business: Memoirs: 1902-1988

For over half a century, John Houseman played a commanding role on the American cultural scene. Nobody in the business has been a major part of so much of it. Almost every significant talent and personality collaborated with Houseman in the theater, Hollywood, radio and television. In *Unfinished Business*, the 1500 pages of his three earlier memoirs, *Run-Through*, *Front and Center* and *Final Dress* have been distilled into one astonishing volume, with fresh revelations throughout and a riveting new final chapter which brings the Houseman saga to a close.
