Experience might have been avoided. And the freespace about the walls was cleared of buildings only after these samebuildings had helped to make the same occupation of the city easier,yet there were many in Manila who foresaw the danger but feared toforetell it.Had the people of Spain been free to criticise the Spaniards way ofwaiting to do things until it is too late, that nation, at one time thelargest and richest empire in the world, would probably have been savedfrom its loss of territory and its present impoverished condition. Andhad the early Filipinos, to whom splendid professions and sweepingpromises were made, dared to complain of the Peninsular policy ofprocrastination--the manana habit, as it has been called--Spainmight have been spared Doctor Rizals terrible but true indictmentthat she retarded Philippine progress, kept the Islands miserablyruled for 333 years and in the last days of the nineteenth century wasstill permitting mediaeval malpractices. Rizal did not believe tha
