

Love Letters

From a master storyteller now comes a magnificent novel about two unforgettable people who were on board the Titanic. One survived while the other perished. **THIS IS THE MOST ORIGINAL LETTER WRITTEN ON THE TITANIC.** Writing at the height of his narrative and imaginative gifts, Shaniz Narams presents a masterpiece full of intriguing passion, hope, romance, the quest for love and the desire to turn back the hands of time and it is now the newest bestseller! Narams sweeping novel is set in motion in the year 1912, two weeks after the capsizing of the RMS Titanic ship. We follow the remarkable journeys of Rose over the next months, as she strives to build up a life of her own without Jack who perished on board the ship. Dramatically Jack comes to life in the mind of Rose's eyes as she puts in the picture the story shaping her own destiny and forming a complex relationship marked by guilt, passion, wishes and the lasting bond of love. As the stories build to a riveting climax, we cannot help but learn many beautiful lessons from the narration given by Narams through Rose. This exquisitely written novel was greatly inspired by the true life time events that occurred in the late 1912 when the Titanic sank. It's a beautiful masterpiece and a triumph in storytelling in a brand new way.
