

LPN/LVN State-Approved Schools of Nursing, 1999 (State Approved Schools of Nursing- LPN)

State Approved Schools of Nursing - LPN/LVN 1999 presents findings of NLNFs Annual Survey of LPN/LVN Schools of Nursing. This publication provides a comprehensive directory of the over 1,000 licensed practical and vocational nursing programs in the U.S. (plus programs in the territories) with alphabetical listings. This directory lists all state-approved nursing programs preparing students for LPN/LVN licensure. For each school, the following information is included: address, telephone number, director, NLN accreditation status, state board approval, financial support, administrative control, as well as a number of admissions, enrollments, and graduations. Newly opened programs and those that have recently closed are listed at the end of the directory.
