

## Taboo You: Way of the Terminal Man

James LaFond has been banned from a writers group because of the content of his work, barred from the AAMMA because of his writing, barred from USA Boxing because of his involvement in stick-fighting, rejected by four publishers on politically correct grounds, dumped by nine women, kicked out by three women, attacked by members of six black ghetto gangs, targeted for death by BASH [Baltimore Area Skin Heads] and the Wasted Youth [white street gang], threatened by three police officers, harassed by eight police officers, chased through the nighted streets of Baltimore by feral pit bulls, pursued through the streets of Baltimore by numerous pairs of rednecks in pickup trucks, was once chased down a back alley by a gear-head in a yellow mustang, was once hunted through the ghetto by a scorned psychobitch with a blade, has been homeless, was once barred from three high school classes for reading, walked away from an \$80,000 a year management job without giving notice to take up writing for an annual salary of \$198, will be homeless, has turned down 13 promotion offers and 9 management positions, and is generally regarded as either insane or eccentric depending on which Baltimore you ask. Taboo You is his advice for living such a life if you so choose, and how to survive with dignity, as an individual, in our sick tribal world.
