

Fairies Towne Book # 11 Rose Lea Lillies Pets (Fairies Towne Books Series)

Fairies Towne? Series Books # 1-12 Fairies Towne Parent Reading Collector Edition For Parents # 1 & # 2 For Children In a land far, far away comes this delightful twelve book series for children to learn and dream and grow with. Where fairies live and work and join together to overcome many things on their own as they grow with your child. Where caring, friendship and many other learning tools help your child to understand the politeness or as some say political correctness of the world we live in today. Fairies Town is a place for dreams and a place for education for one growing up. A lesson for your child in each story. With many good fairies to help and guide your child as they listen and learn to read. Welcome to my first twelve book set of Childrens Books. First Books of one hundred thirty two books in sets of Twelve Books each to come. The books were made for parents and children to read and interact with for everyday life. The books talk about rules, politeness, death and many more aspects of life including disabilities. There are also two hard back editions for Parents to also read to their children in two different sizes as well. Parents copies are full color cover with all twelve books included. These were made as Parent Reading Collector Editions for a parent and child to work intractably together with. These books are soon to release at <http://www.Amazon.com> These books will capture the parents heart as well as the childs and both will wish to purchase the whole set as their own miniature library collection for their children as well. Creating all twenty seven books this month has been a joy for me. With all said shall we go visit the Fairies In Fairies Towne. I hope you all enjoy these great new books for your children.
