

Northern Passages : Reflections from Lake Superior Country

In This Book of Outdoor Essays, Michael Van Stappen captures the spirit of northwestern Wisconsin and the western Upper Peninsula of Michigan-Lake Superior country. Whether fishing for steelhead trout on the Sioux River, exploring the Chequamegon National Forest, searching for a snowy owl in winter or a rare auricle twayblade orchid in summer-Van Stappens lyrical voice resonates With The very spirit of the north country. All who feel a common bond With The natural world will enjoy in Original Personal essays, Which fairly call the reader to return to or visit for the first time this land of sparkling blue waters, great green forests, and a wilderness That lifts the spirit and refreshes the soul.
