

## Now

NOW is an exciting effort, which reveals to readers an ability inherently possessed by all to gain control over circumstance. By understanding the ideas discussed herein, those taking part in this experience will be empowered and may develop a greater focus. In this small book, Khalid El Bey demonstrates key proofs that may be employed by anyone who desires to reduce stress and live a more productive and fulfilling life. The short but detailed explanations will afford the readers a mental workout that is long overdue.
