

ACCUMULATING LIVES: Volume Two of an Autobiography

Praise for OPPOSABLE LIVES, Volume One of an Autobiography I found it fascinating. . . . There are very few people who could write an interesting and entertaining autobiography. Mary Arntfield A wonderful read!. . . tender and insightful, straight-forward and honest.

Bill Guest What a wonderful gift!. . . its extremely well written, flows lucidly an easy while highly perceptive read.

John Davis I love your witty title. Opposable thumbs led to curiosity, experimentation, imagining, growth in intellect. Opposable Lives generates these, and much, much more.

Thomas Whitbread I thoroughly enjoyed it.
