

Pakistan: The Eye of the Storm

Pakistan, a nation for only 55 years, has had a turbulent history. Ruled by the military for half its existence, it has seen three wars with India and the loss of much of its territory. The combination of political instability, deep-seated economic and social problems, and access to nuclear weapons has made it one of the most strategically sensitive countries in the world. The war in neighbouring Afghanistan has placed it at the very centre of global attention and projected its military ruler, General Pervez Musharraf, onto the world stage. Musharraf has become the first Pakistani leader in 30 years to dare to confront the countrys Islamic extremists. But can he succeed in controlling the forces that helped create the Taliban in Afghanistan and fuelled the bitter conflict in Kashmir? Will his army and intelligence agencies be able to tame the radical elements that they created and sustained? In this history of Pakistan from 1947 to the present, Owen Bennett Jones describes the many fault lines in Pakistani society. He assesses the role of the nationalists in the provinces, the feudal landlords in the countryside, and the bureaucratic elite in Islamabad, and analyzes the complex relationships between religion, regional politics, and the armed forces. While most Pakistanis have a moderate, tolerant vision of Islam, he argues, the countrys central institutions are so weak that the military regime may prove incapable of rescuing the failed state of Pakistan. As a BBC correspondent in Pakistan between 1998 and 2001 Bennett Jones witnessed at first hand many of the events that brought General Musharraf to power. His book contains the first detailed accounts of the 1999 coup, the Kargil conflict, and how Pakistan came to test its nuclear bomb. It should be of interest to anyone who wants to understand a country that was crucial to the expulsion of Soviet forces from Afghanistan in the 1980s and

which, after the 11th September 2001 attack, became a key coalition partner in Americas war against terrorism.
