

## Dont Stress the Process: The College Plan

Dont Stress the Process: The College Plan is a resource for middle and high school students and their families to track high school grades, learn about financial aid responsibility and evaluate a students top five college choices. This book was created to provide a simple, easy-to-use resource that clearly outlines suggested steps that families should take in order to prepare for college selection. The book allows families to understand the importance of college planning and then evaluate themselves starting in the ninth grade.
