

Is Everybody Ready for Kindergarten?: A Toolkit for Preparing Children and Families

Kindergarten is a significant and exciting milestone in young children's lives. *Is Everybody Ready for Kindergarten?* is an ideal planning resource for early childhood professionals as they coordinate a successful transition that benefits children, their families, and the schools. Filled with information, advice, and activities, this toolkit includes:

- An explanation of what school readiness means for children and for schools
- A brief history of kindergarten
- Descriptions of the typical development, capabilities, and characteristics of four-, five-, and six-year-olds
- Common hopes and concerns families have as their children begin kindergarten
- Strategic planning tools to help prepare children for the transition to kindergarten
- Discussion questions, reproducible checklists, and assessment and planning templates
