

Peter Abailard

Originally published in 1932, this book presents a comprehensive study regarding the life and works of Peter Abelard. The text reflects the renewed interest in medieval thought at the time of publication, incorporating ideas from a broad variety of perspectives. A preface is included by the renowned theologian and biblical scholar Alexander Nairne. Detailed notes, appendices and a bibliography are also contained. This book will be of value to anyone with an interest in logic, medieval philosophy and theology.
