

# My Old Kentucky Road Trip:: Historic Destinations & Natural Wonders

A drive straight across the Bluegrass State takes nearly eight hours. But that would bypass all the worthwhile distractions between Paw Paw in Pike County and the Kentucky Bend of the Mississippi River in Fulton County. Treasures like Abraham Lincoln's boyhood home that rests inside a Greek-style temple. Or the Jefferson Davis monument rising from a field in Fairview. From rip-roaring barn dances in Rabbit Hash to the silent reverence of the monks at the Abbey of Gethsemani, the Commonwealth is chock-full of timeless landmarks. Join native Kentuckians Cameron M. Ludwick and Blair Thomas Hess as they explore all the amazing and irreplaceable things that make the state one of a kind.
