

# Resisting the Holocaust: Upstanders, Partisans, and Survivors

This book enables readers to learn about upstanders, partisans, and survivors from first-hand perspectives that reveal the many forms of resistance?some bold and defiant, some subtle?to the Nazis during the Holocaust. Provides readers with insights into how and when resistance activities took place during the Holocaust?historical information that is both deeply saddening and inspirational Documents the myriad ways in which upstanders sought to minimize the worst effects of Nazi anti-Jewish measures Explains how those who came to be recognized as the Righteous among the Nations engaged in their life-saving work Supplies document introductions and scholarly analysis that help readers to better understand the primary source material as well as a comprehensive bibliography that serves as a gateway to further research
